

2023 Summer Camp Registration

Thank you for partnering with us in providing your students an exceptional camp experience. We believe that the best counselors are the workers that know your students and work with them all year. We have discounted the counselor cost of camp to help make it as easy as possible for you to bring counselors. You will need to provide us with a list of your campers and counselors at least two weeks before camp. We will provide you with a link to a housing sheet. Note that all campers and counselors must have a completed **health form** to attend camp. **Housing is on a first come first serve basis, therefore the sooner you can provide the detail camper information the better the housing options will be for your group.** *Forms are available online elevatecamps.org*

Feel free to contact us with questions at info@elevatecamps.org or 530-406-9027.
